Dear Indian Professional Boxing Association,

This letter is to formally invite your organization to attend the 29th Annual Conference of the Association of Boxing Commissions.

THE ABC is the organization designated by federal law (Title 15, Chapter 89) as the oversight agency for ALL professional boxing in the United States. With over 150 members, your attendance and input at the 2017 meeting would be most valuable.

The Association of Boxing Commissions is a recognized 501 (c) (3) non-profit and the five day training touches on all aspects of the combative sports: intensive official training, medical advances and difficulties in the sports, legal considerations, trends, rules, and of course attending to the needs of various Commissions.

I am attaching a registration form for the Conference as well as one for the Officials Training. Feel free to make as many copies as you like. When you complete the desired registrations and send back, that will generate billing so you can pay by credit card.

Thank you,

Lydia Robertson, Treasurer
