Dear Mr. Ali:

The IBF will host its 34th Annual Convention at the Hilton St. Petersburg Bayfront from May 21 - May 25, 2017. We expect this to be an informative convention. I would personally like to invite you to attend this convention to share with us the boxing activities that are developing in your region. I have enclosed a convention packet and would ask that you be guided accordingly.

We have prepared some very interesting and enlightening sessions for the attendees. I am confident that the Referee, Judges and Medical Seminars will impart valuable information to the delegates. In the event you are able to attend, I am extremely confident that the information you are able to garner and take back to the officials in your region will definitely enrich their knowledge of the sport of boxing. You should plan on arriving at least two days prior to the commencement of the convention for preparations.

Please accept my personal invitation to attend this convention and to show a concerted effort to preserve the integrity of our sport. If there is any additional information you require and we may be of any assistance, please do not hesitate to contact this office.

Sincerely,

Daryl J. Peoples
President
