Re: **WBO 30th Anniversary Cruise Congress**

To Whom It May Concern

Mr. Shahe Ali, President of the Indian Professional Boxing Association, has been invited to attend the WBO 30th Anniversary Norwegian Cruise Line Congress.

Name: Mr. Shahe Ali

Date of birth: XXXXXXXXXX

Passport No: XXXXXXXXXX

Date of expiry: XXXXXXXXXX

To celebrate our 30-year Anniversary, we are going on a well-deserved soothing cruise with the port of embarkation in Miami, Florida on Monday, October 23rd Tuesday and Wednesday carousing in Havana, Cuba, Thursday lounging in the sun while on Great Stirrup Cay in the Bahamas and finally, disembarking in Miami, Florida on Friday.

In between all the excitement, business as usual will be held in a relaxing and soothing environment. As usual, remember that the congress offers itself, as backdrop for the development of boxing at an international level, creating liaisons that will promote boxing throughout the world.

All courtesies extended to assist our guests in obtaining the entry visa to the United States will be greatly appreciated.

Thank you.

Kind regards,

Doris Companys
WBO Executive Coordinator
